- Speed may be adjusted to suit site conditions.
 - For very abrasive materials an increase in drill speed (rpm) will prolong life.
 - For harder materials, decrease the drill speed to prevent overheating.
- Machine and material are the controlling factors to the life and speed of the core.
- Ultimately, machine and operator determine the overall performance.

BRICK & BLOCK / BRICK / BLOCK & CONCRETE	BASE
DIMENSIONS	DSDC
3 PC KIT - 42, 52 & 117MM	DSDC-KITS3 £105.00**
5 PC KIT - 42, 52, 65, 117 & 127MM	DSDC-KITS5 £168.57
