

ELECTRONIC SPIRIT LEVELS

ELECTRONIC SPIRIT LEVELS

DESCRIPTION : Strong, robust and accurate spirit levels with built in audible and visual 'traffic-light' notification for correct levelling. Solid box beam construction, with soft carry handles and machined top & bottom surfaces for perfect alignment.

USE ME FOR : Find the required levels at horizontal, vertical and 45° angles. All the levels incorporate a light system that goes green when aligned and also has an audible buzzer when this is achieved. Integral magnets make these levels ideal for wide ranging jobs.

INTEGRAL MAGNETS
